Sub: A Letter of Thanks

Dear Sir,

We are hereby expressing our deepest thanks on behalf of the Burundian Government as a whole and of the BUNTU Foundation in particular. Firstly, we extend our gratitude to the Rai Foundation for the former scholarship already given to our five orphan girls and secondly we are deeply grateful for the again considering Burundi for your next scholarship programme for more underprivileged girls during this year 2011.

Again, we thank you and we appreciate your bilateral cooperation.

Warm regards and best wishes for New Year,

Aloys RUBUKA
